### CURRENT ASSET ALLOCATION

### Industry Update

- Total pension assets rose by 4.80% to ₦30.94trillion as of April 2026, up from ₦29.52trillion in March 2026—highlighting the industry's resilience and continued value creation for stakeholders.
- RSA Fund 1 recorded a notable 10.59% growth, with assets increasing to ₦619.49billion in April 2026 from ₦560.18billion in March 2026.
- The sustained growth in total assets and fund performance reflects the country's ongoing commitment to a robust and sustainable pension system.

### Outlook for next month.

- The Naira is expected to remain relatively stable in the near to medium term, supported by improved foreign exchange liquidity, ongoing market reforms, and sustained efforts by policymakers to enhance transparency and efficiency in the foreign exchange market.
- The monetary policy environment is expected to remain relatively tight as the Central Bank of Nigeria (CBN) continues to prioritize price stability and exchange rate management.
- The Nigerian fixed income market is expected to remain attractive, supported by relatively high yields, strong institutional participation, and continued demand from pension funds and other long-term investors.
- The Nigerian equities market is expected to record selective gains, driven by resilient corporate earnings, improving investor sentiment, and increased interest in fundamentally strong companies across key sectors.

### Regulatory Update:

#### Personal Pension Plan (PPP) Contributions

The National Pension Commission (PenCom) has clarified the classification of contributions made under the Personal Pension Plan (PPP) to improve transparency and provide contributors with greater visibility of their pension savings. Under the PPP, contributions will now be categorised as:

- A. **Self-Contributions** – contributions made directly by individuals into their pension accounts.
- B. **Employer-Remitted Contributions** – contributions made by an employer on behalf of an employee based on the employee's written authorisation.

As a result, contributors will see these categories clearly reflected in their Retirement Savings Account (RSA) statements and other contribution records issued by their Pension Fund Administrator (PFA).

This enhancement is intended to provide greater clarity on the source of pension contributions and strengthen confidence in the management and reporting of pension savings.

#### Simplified Documentation Requirements for the Data Recapture Exercise

The National Pension Commission (PenCom) has simplified the documentation requirements for Retirement Savings Account (RSA) holders participating in the Data Recapture Exercise. The revised requirements are intended to make the process easier and more convenient for contributors and retirees.

#### Required Documents for Active Contributors and Retirees

RSA holders are required to provide:

1. **Proof of National Identification**
  - \* National Identification Number (NIN) Enrolment Slip; or
  - \* NIN Card showing the NIN and Date of Birth.
2. **One Valid Means of Identification**
  - \* National Driver's Licence; or
  - \* Permanent Voter's Card (PVC); or
  - \* Staff Identity Card; or
  - \* International Passport (mandatory for non-Nigerians).

### Additional Requirements for Change of Name or Date of Birth

RSA holders whose name(s) or date of birth on their pension records differ from the details registered with the National Identity Management Commission (NIMC) may be required to provide additional supporting documents.

#### For Change of Name:

- \* Sworn Affidavit for Change of Name;
- \* Confirmation Letter from Employer (for active contributors);
- \* Newspaper Publication (for retirees).

#### For Change of Date of Birth:

- \* Confirmation Letter from Employer (for active contributors); or
- \* Birth Certificate or Declaration of Age (for retirees).

RSA holders are encouraged to update their records promptly to ensure that their pension information is accurate and consistent across all official records.
